PEACH BELT NURSERY, John L. Cross, Prop.,

Bangor, Michigan.

We offer only varieties tested out and found most worthy of planting. Many new kinds offered at High Prices do not live up to claims made for them. Some are old kinds under a New Name.

RASPBERRY - Black - HoneySweet has proven the best for quality, size, bearing and disease resistance. Mild and sweet.

Bristol - Similar to Cumberland. Good quality and size.

REDS - Latham most popular for market and garden. Good flavor, size and shipper. Good grower and productive.

Sunrise - A newer early kind. Nice flavor, long season.

Purple - SODUS - Largest of all. Excellent flavor, makes a fine Jam. Heavy bearer. Long season, hardy and resists disease.

STRAWBERRIES - Blakemore and Premier for early fruit Both are good, about the same quality. Premier a little earlier, but Blakemore is a better shipper and makes more plants.

Dunlap - Old timer yet still the standard for quality. A deep red color; good for table, canning and freezing. Heavy bearer.

Robinson - - Scarlet Beauty- Extra large berries of fine flavor for table use Makes plenty of plants. Bright red color.

SPARKLE - A newer kind. Follows the Dunlap and has a long season Good yielder and plant maker, Deep red color and with a nice flavor. Highly recommended for freezing.

EVERBEARERS - " MARVEL " has proven Tops for us. The finest flavor, mild and sweet. Good, bearer size and plant maker.

GEM - Large, firm fruit. Bright red. The best shipper. Lots of berries and plants. Very popular.

STREAMLINER - Little sweeter than Gem. About the same size, nice flavor. Makes plenty of plants.

EVERMORE - Large, long-pointed berries, red clear through. Splendid flavor Longest keeper.

BLACKBERRY - We prefer the ALFRED. Very large, sweet with practically no core. A vigorous, heavy producer.

GRAPES - CONCORD - Best of all for eating canning; Juice.

AGAWAM - Large Red, about the size of Concord. Has a winery flavor. Also makes nice Juice. Vigorous and hardy.

BLUEBERRIES - RUBEL and JERSEY. Both mid-season. The two most popular varieties. Fine quality and productive.

ASPARAGUS - Mary Washington - Very popular variety for market and also for home use.

UNCLE JIM -- JUNE BEARER

The UNCLE JIM Strawberry is another real Old Timer. Over 50 years old and it is a very fine quality berry. Especially good for eating fresh on account of the mild, sweet flavor. It produces plenty of plants and large, bright red berries. Very few Nurseries have this variety -- unless they have given it a new name. Our supply is very limited this Spring.

Price of Plants - 25 for \$ 1 00 - - Prepaid.
